

“Now you have control of your TSP too!”

With the TSP website you can:

- Review your outstanding loan balance and prepayment information
- Review the loan amount available to you and the current rates
- Review your account
- View, request, change, or cancel the allocation of future contributions
- Review the status of your loan application
- PIN number change
- View, request, change, or cancel an interfund transfer
- Review your outstanding loan balance and prepayment information

Using the Internet

It's Easy! Just follow these simple instructions:

- Go to www.tsp.gov

- Click on **Account Access** from the top menu
- Read disclosures then press the “**Account Access**” button
- Enter your Social Security Number then your PIN* and click **Login**
*If you do not have a PIN, enter SSN then click on the box labeled “**If you do not know your PIN**”, then click **Login**
Follow directions for requesting your PIN
- Choose what you would like to do from the menu provided!
